

# # KT 6645

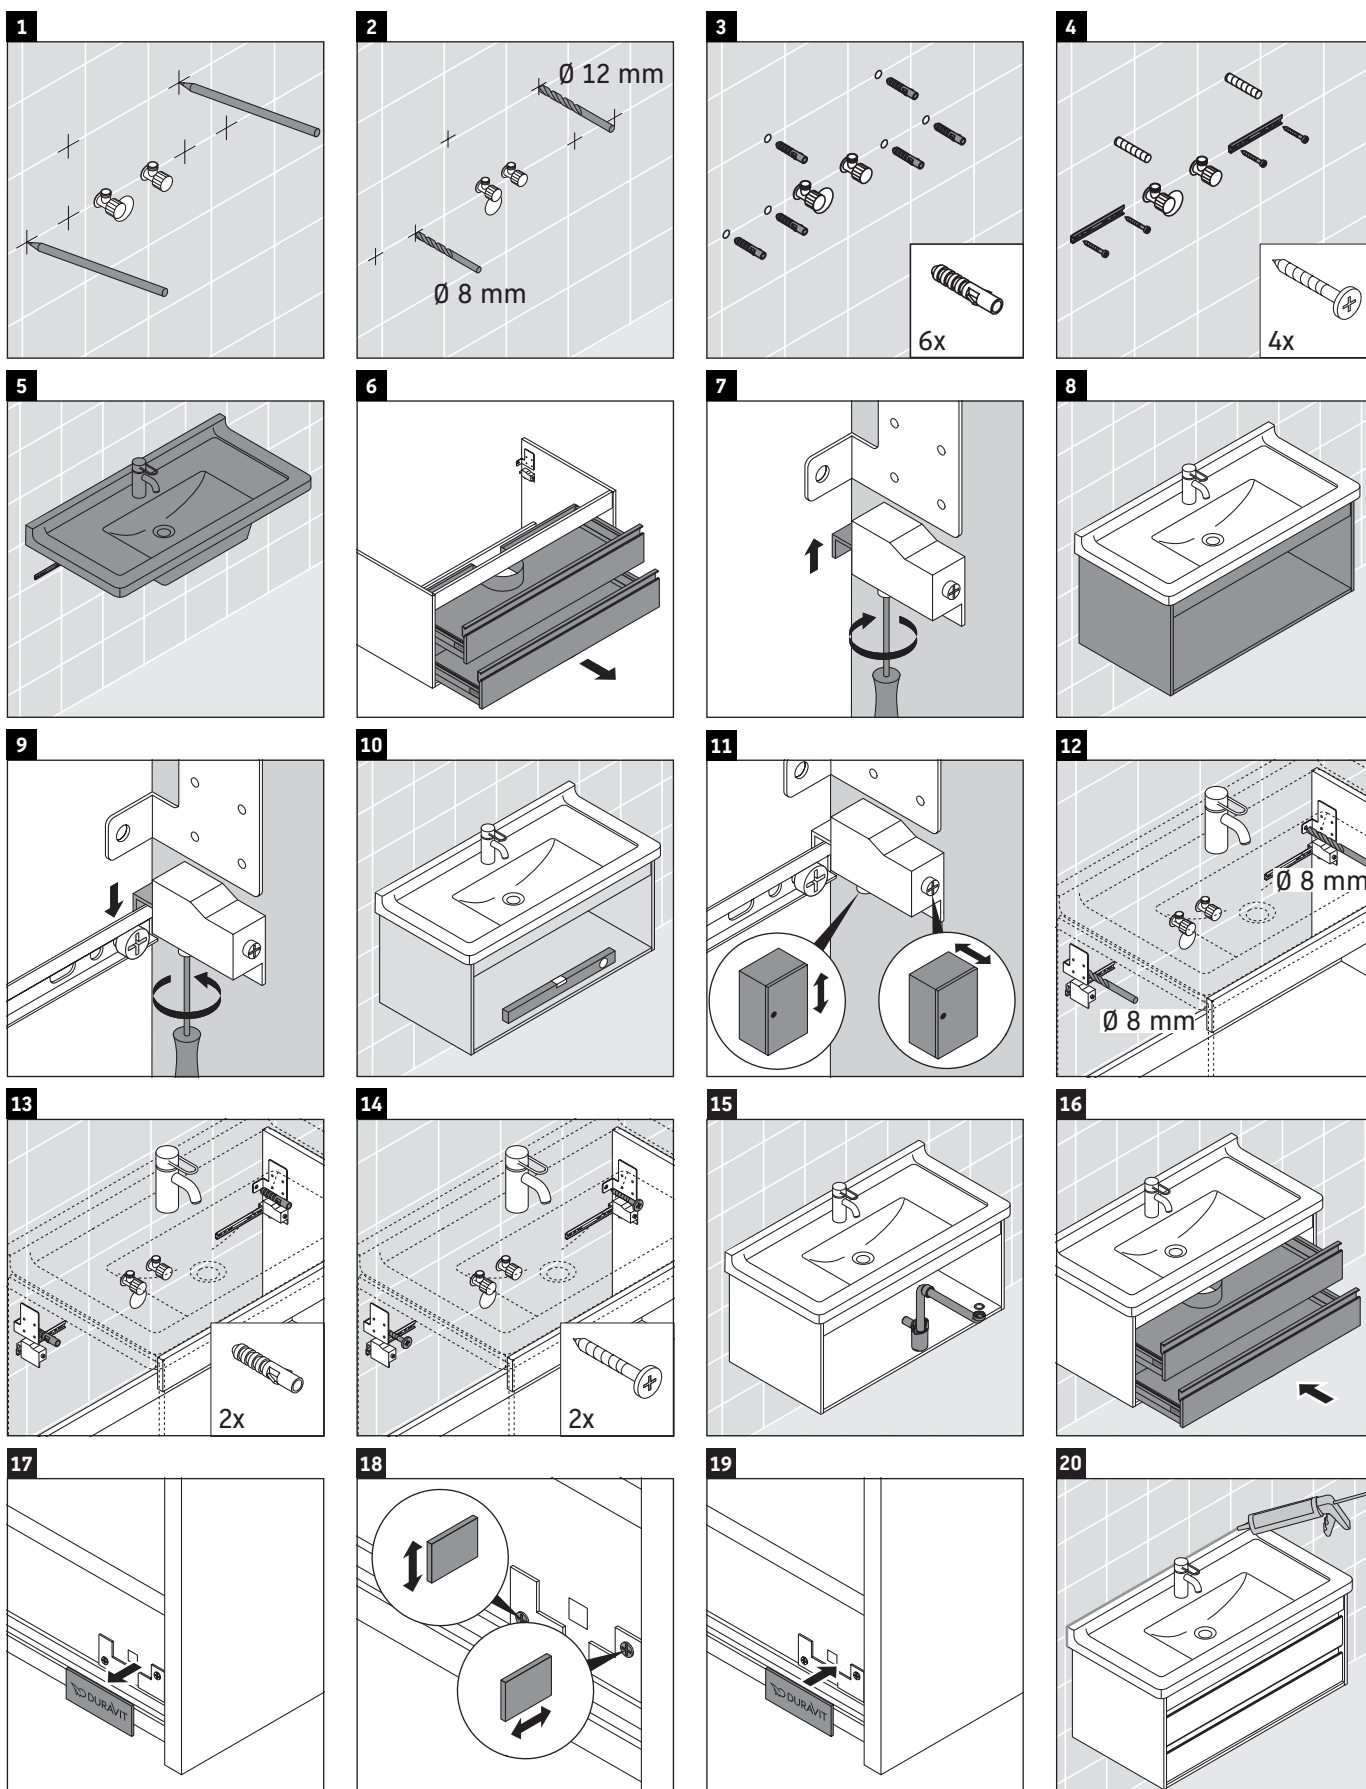

[illegible]

A diagram of a two-story building. A vertical axis is shown to the left of the building. The top part of the axis is labeled 'W' with a downward arrow. The bottom part of the axis is labeled 'X' with a downward arrow. The building has two stories. The top story is a rectangle with a small vertical line and two circles on its roof. The bottom story is a larger rectangle. The vertical axis is positioned to the left of the building, with the 'W' label at the top and the 'X' label at the bottom.

Technical drawing of a kitchen cabinet unit. The unit is shown in a perspective view, highlighting its L-shaped structure. It features a built-in oven on the right side and a sink area on the left. The drawing is a line art representation, showing the internal structure and the placement of the oven and sink.
